Chapter 1 by ƙąƬ

"Nobody cares about me, nobody likes me! Whats wrong with me!" All these thoughts ran through my head. I was crying, my boyfriend... well ex-boyfriend Austin. He was such a jerk. I was so lucky, and I was pampered, and spoiled, and loved. My best friend Mekayla, was here in my room supporting me, but I at least knew that she cares about me, and that she likes me. I knew that everybody was going to hate me because Austin and I broke up.

"It's ok Melinda, it wasn't your fault. It's not your fault that Austin didn't love you." Mekayla said in a calm and soothing voice.

"It is my fault. He would love me only if I did something good to him. Nobody will like me now, I treated each other like crap! My life is worth nothing now! I hate my life, but why does everything bad happens to me! You have such a perfect life!"

"Melinda I don't have a perfect life. I am worried because my best friend is heart broken! You shouldn't hate your life, this happens to everybody. You have an amazing life, you have a roof over your head, and you have me. A very nice friend."

Part 2 of chapter 1:
Flipped to Mekayla's side

"Mom, what's up?"

"What are you doing?"

"Hanging out at Melinda's."

"What time will you be home?"

"Around 3 probably. I will call before I leave."

"Ok sweetie. Have fun!"

"K, I will! Bye, love you"

"Bye!"

I hung up then I went back in to Melinda's room, and she wasn't there, I went in the common room, and she wasn't there, but her mom was there.

"Hey, Sarah was is Melinda?"

"She should be in her room! She never came out."

"Huh! That's weird, because she's not in her room.

"Is her window open?"

"I don't know? I will go check!"

I walked in her room and her window was way open. I yelled that the window was open. Then her mom called the police.
